ECRU

A close-up photograph of two light-colored wooden planks, likely part of a custom-built pantry rack system. The planks are positioned vertically, with one slightly behind the other. In the background, a wooden shelf holds a glass jar filled with dark berries. To the left, a box of produce is partially visible, and below the planks, several yellow-lidded jars are stacked. The text 'Wooden racks' is overlaid in a large, orange, serif font with a white outline.

Metal Helios rack configurator

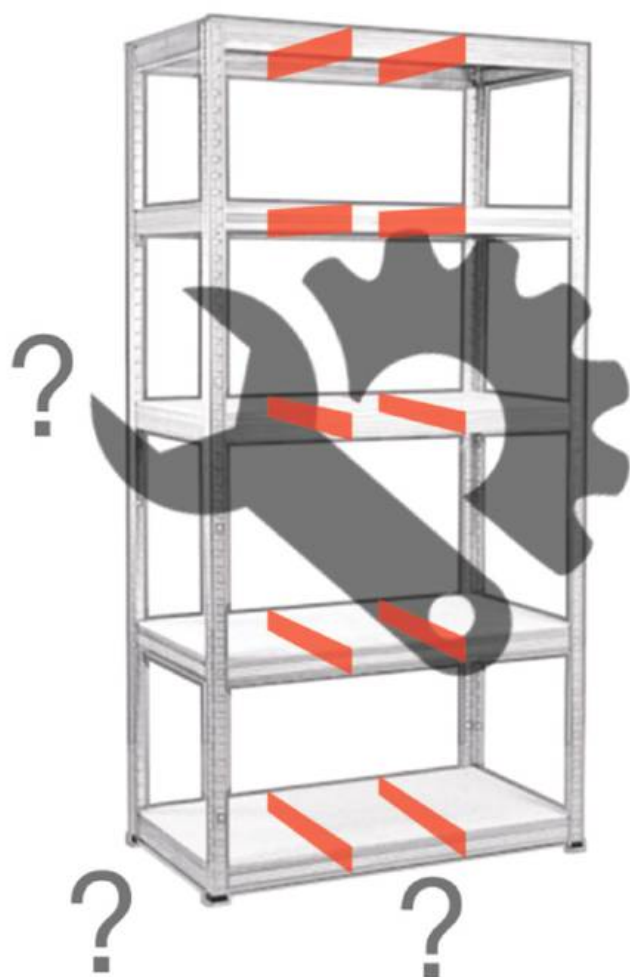

The configurator interface includes the following elements:

- Height :** A dropdown menu with a value of 90 cm. It is flanked by two vertical lists of options: the left list ranges from 30 cm to 120 cm in 5 cm increments, and the right list ranges from 90 cm to 320 cm in 26 cm increments. Arrows point from these lists to the central dropdown.
- Width :** A dropdown menu with a value of 30 cm. It is flanked by a vertical list of options ranging from 30 cm to 60 cm in 5 cm increments. An arrow points from this list to the central dropdown.
- Depth :** A dropdown menu with a value of 30 cm.
- Number of shelves :** A dropdown menu with the text "Select number of shelves".
- Mastering :** A dropdown menu with the text "Select mastering".
- Capacity :** A dropdown menu with the text "Select capacity".
- Create** button: A teal button located at the bottom of the form.

Our rack creator gives you possibility to create standard and custom Helios racks. We provide tools for you to choose rack parameters that will meet your expectations.

WOOD STAND COVER

Four wooden kitchen items are arranged on a blue fabric background. At the top is a light-colored wooden spatula with a circular hole in its head. Below it, on the left, is a darker wooden turner. To the right of the turner is a light-colored wooden spoon. In the foreground, overlapping the others, is a light-colored wooden fork. The text "Wooden items" is overlaid in the center in a green, serif font with a white outline.
